

AMICI

RESTAURANT & PIZZERIA

We opened in the winter of 2016 for Dine In, Takeout & Delivery, always careful to balance our attention between our dine In, delivery and takeout customers. We set out to bring a new flavour of pizza to Meaford and that's exactly what we did with our Napolese-inspired pizza crust & sauce. We still make the same pizza today with our House Made tomato sauce, only 100% Canadian Dairy Mozzarella, and our premium toppings. Not only did we bring a new flavour of pizza to Meaford but also elevated home comfort food to restaurant quality, and many of those original dishes are still being served. eg: 5 Onions Soup, Signature Fries, Chicken Schnitzel, Chicken Wings, AMICI Salad...

In addition to our primary business, we also began to offer full-service cantering in 2018. Our selection of catered dishes is built around your taste preferences and the type of event you are having. This results in each and every event being 100% unique to fit the event perfectly.

The pandemic threw a wrench in our 5-year goal, but we quickly shifted our business model to be focused entirely on our takeout and delivery customers. We also introduced a selection of all house-made meals, smoked meats, and frozen pizzas to offer the flavours of AMICI that can be reheated and enjoyed from the comfort of home.

2022 saw AMICI's dining room reopen with all tables, new seating, new art, and a new feel. As you will see, many of your old favourites appear. On this menu, you will see new meals that have been developed as well as updated/refreshed classics from some of our first couple years open. Nearly every month, we update our menu, sometimes removing meals, altering them based on season and availability of products or introducing something new!
